RED GALA 2024

PRESENTED BY:

SATURDAY,
SEPTEMBER 21

#FPLCares

At Florida Power & Light Company we are working together with the communities we serve to make Florida an even better place to raise a family and do business.

Community is the commitment we make to each other

When a community is strong, it's more than a collection of streets and buildings—it's a place that helps its residents thrive.

That's why we're committed to building stronger communities as a proud sponsor of Urban League of Broward County's Varsity U Red Gala.

INSPIRING ACTION.

CREATING IMPACT.

At JM Family Enterprises, our story begins with great people. We take pride in creating a diverse workplace with associates who inspire action and create impact in business and in the communities where we live and work. That's what we do across our company, and it started with our founder Jim Moran in 1968.

Today, our strength in business is matched by our commitment to giving back across three focus areas: Empowering Families, Promoting Education and Embracing the Environment. And, with our nonprofit partners and the support of more than 5,000 associates companywide, we are driven to create an impact now and for the road ahead.
